

## **Management Liability Coverage is Complicated... You Need a Partner You Can Trust**

**Use a cutting edge mind-set to craft coverage suited to each insured's unique needs.**

Management liability coverages, especially Directors and Officers and Entity Liability, can be the most powerful weapon in your client's insurance arsenal - but only if they're written correctly.

You want a partner you can trust that has the experience, know-how and ability to identify and obtain the needed coverages. Relying upon package products or non-specialists can easily deprive your insured of needed and available coverage in one or more of the lines placed. (To learn why these common mistakes can render your insured's D&O coverage nearly worthless, read our recently published Management Liability article [here](#))

**Step up your Management Liability game by contacting your industry expert, Chris Christian, at U.S. Risk now! As an added bonus, you will receive additional commission on new management liability business bound or submitted in September and October 2014.**
